MISS BALI TROPIC 2014

Tan Of The Gods

Have you seen her?

She was trying on a bikini at 69 Slam. Her smile's what got us but her personality won us over. You can't miss her savage tan or those legs. If you see her, tell her we're looking for her.

\$8,000 in cash and prizes. No fancy fashion shows!
Send a pic & have your friends click. Winner announced
at Bali Tropic bikini party October 18.
